

Corvette For Sale – Hull 6 – *Caprice*

Corvette #6 for sale, *Caprice*, comes with 4 sails and cradle.

Caprice has sat idle for a while. Although the hull is sound, there is some deck work required and the interior needs to be redone.

Caprice is lying at the Royal St. Lawrence Yacht Club in Montreal.

Current price is \$10,000. The price will increase as work is completed.

Reason for sale, the owner has two Corvettes (*Varuna*, Hull 31 and *Caprice*) and bought *Caprice* to fix and get it back sailing again.
